PART – B**CRITERION I – CURRICULAR ASPECTS****1.1 – Curriculum Planning and Implementation****1.1.1 – Institution has the mechanism for well-planned curriculum delivery and documentation. Explain in 500**

The effective curriculum delivery for various courses at Pt. Chiranji Lal Sharma Govt. College is regulated by guidelines issued by the Department of Higher Education (Haryana) and Kurukshetra University, Kurukshetra (Haryana) from time to time. College administration ensures effective implementation of the curriculum keeping in view the vision and mission of college. In this regard, we have several well-structured processes and committees that enable communication and feedback from various stakeholder groups which is then analysed and communicated through proper channel to the Department of Higher Education (Haryana) and Kurukshetra University, Kurukshetra (Haryana).

Committees for Effective Implementation:

The college level committees prepare broad guidelines and frameworks to suit requirements of different courses at the departmental level. The IQAC-quality advisory council (QAC) and IQAC College Council in association with the University works, timetable and workload committees of the college and individual departments provide directions and regularly monitor the efficacy of the same throughout the session. The Internal evaluation committee regulates the planned and written aspects of the continuous evaluation of students as per KUK rules. The systems have been structured to help maintain uniformity, transparency, academic standards and quality during internal assessment of students which is regularly displayed to the students on the notice board.

The curriculum review and revision is the prerogative of KUK but at regular intervals to reflect the advancement of knowledge and processes in various fields request for updating of the curriculum are sent through various boards of studies members from our institution.

Planning, Teaching and Evaluation:

Each department holds meetings for lesson plans, class assignments, internal assessments, use of reference materials and AV teaching aids for teachers. The college invites external experts for various projects and practical evaluations with the view to ensure quality of education, and objectivity in the teaching-learning processes as per KUK guidelines.

Supportive College Infrastructure:

The college infrastructure and facilities are continuously being upgraded to suit the needs of changing curriculum and pedagogy. The college has well-equipped laboratories and classrooms with projection facilities for both faculty and students. The renovated well-stocked college library is having computers for accessing web-based facilities and access to databases like NLIST.

Monitoring and Mentoring Processes:

To ensure learning outcomes of each subject college has a Mentor Programme which enables the students to provide feedback to Mentors on curricular issues, college infrastructure and administrative matters. The mentors provide guidance for various academic matters and career options related to subjects and courses.

Continuous teaching improvement:

The college has university works committee and the IQAC-CC along with IQAC-QAC analyses and discusses the results and performance of the students for each subject and course for effective implementation and continuous improvement of student performance in the exams. Various strategies and plans for improvement in curriculum delivery are discussed with teachers and implemented in the forthcoming session.

Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)**Feedback Obtained**

Students feedback is collected from UG and PG Students by the feedback collection and analysis committee in the college. Feedback is obtained on various topics including the curriculum and college infrastructure. The points are calculated according to the grades given by the students in various criteria. The grades are given as Excellent, V. Good, Good, Average, Poor. The Average and percentage of various criteria are calculated. The strength and weaknesses mentioned by the students are summarized. Feedback is also collected from the parents periodically. Suggestions and comments given by the guardians are also taken into account for future development. Most importantly the feedback from alumni is collected during the alumni meet and teachers provide their feedback about curriculum during the routine meetings. The different areas where improvements are required are discussed in college council meetings. The suggestions if any are sent to the university through the Board of studies members for updation in the syllabus/curriculum. Infrastructure is periodically updated especially the one requested by the students/alumni/parents. Strengths of the college are also taken into consideration for further upgradation. Suggestions for updation of curriculum and infrastructure are sent to the department of higher education, Haryana periodically for financial and administrative support.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Yes, students mentoring system is available in the college. It is called tutorial group system. Through Tutorial system (presently Mentor- Mentee) system a tutor is allocated to every student to look after his/her academic and psychological wellbeing and also monitor class attendance and performance. This system has now been renamed as Mentor system. Under the Mentor system, the full-time teachers of the college are engaged as mentors of each class. Larger classes with huge numbers of students are assigned more than one mentor. At the beginning of the academic session, the class-wise names of the mentors are displayed on the college notice boards. The mentors are responsible for academic progress and psychological wellbeing of their mentees. They are also entrusted with the task of monitoring the attendance and academic progress of the students. They also provide important information about the academic calendar and conduct orientation programmes for the mentees, whereby they are acquainted with the institution, its vision and mission and rules and regulations of the affiliating Kurukshetra University, Kurukshetra. The mentors use both formal and informal means of mentoring. It helps in boosting inclusiveness, gender sensitivity and social responsibility of students.

2.5.2 – Reforms initiated on Continuous Internal Evaluation (CIE) system at the institutional level (250 words)

The college follows the institutions of conducting the Continuous Internal Evaluation as prescribed by the Kurukshetra University, Kurukshetra. In the last several years there have been changes in the mode of evaluation. Presently as a part of the continuous internal evaluation, internal assessment for theory papers is for 20 of the marks (20 marks in a 100-mark paper) which is split into 5 marks for

attendance and 55 (10) marks for two handwritten assignments and one 5 marks class test. As a result of the continuous internal evaluation (CIE) method implementation as a part of the academic calendar the student regularity and participation in teaching learning process has improved a lot, as there are marks for each class attended and assignment completed. Each teacher works out the details of how the CIE will be carried out for each paper taking care that learning objectives of each paper are achieved through the different subjective assignments and tests. As a sample, the evaluation details of one of the departments are being uploaded as an additional file. For theory papers it is kept in mind that the assignments should not only test the knowledge base of the students but also foster creativity and out-of-the-box thinking. CIE is a method of assessing whether learning outcomes for all courses are being achieved. It provides an opportunity to relook at and modify teaching strategies if the students are not performing well. Students who miss the assignments due to ill health or participation in extra-curricular activities of the college are given an opportunity to give the assignment and class test on an alternate date. There is a set schedule for conducting the assignments which the students know in advance which helps them to prepare for exams in advance.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college follows the Academic Calendar of the Kurukshetra University, Kurukshetra. The Internal Assessment Committee decides on dates during which the internal assessment assignments are to be given to students and dates by which the marks need to be submitted to the office. These dates are adhered to during each semester. In the odd semester the dates for the first assignment/test for theory papers lies towards last week August while for the second one in the last week September/ beginning October. In the even semester the dates are usually in beginning February and end March. Dates for class tests of odd semester are in October month each year while for even semester they are in March month each year. Dates for conducting/submission of assignment and submission of marks are all displayed on notice boards by the Internal Assessment Committee. A sample of circular announcing dates for conduction of assignments and submission of marks has been uploaded. Other points incorporated in the academic calendar include plan of quality initiatives to be undertaken by IQAC and related teacher/student centric academic, extra-curricular and sports activities as per directions of Department of Higher Education, Haryana and Kurukshetra University, Kurukshetra.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Pt. Chiranji Lal Sharma Govt. College does not have a very organized and democratically elected Student Association as the student elections are not allowed as per government of Haryana rules but active students are entrusted with looking after extracurricular activities, hospitality issues, and other cultural and academic events throughout the year besides students in other supporting positions. The Students are guided by staff advisors and the principal of the college. The Student's as part of various subject societies and sports and cultural groups support help the administration in enriching the cultural and corporate ambience of the college and in turn provides opportunities to students for expanding their wings. Various academic and administrative bodies that have student representatives on them include.

- Anti-Ragging committee
- Grievance redressal Committee or ICC (Internal Complaints Committee)
- Cultural activities committee
- Subject societies
- Canteen Committee
- Bus pass committee
- Students parking committee

The college has an academic calendar for all student centric events within the annual Kurukshetra University academic session. These events are led by the students and conceptualized in consultation with teachers helping the students to

show their talents and learn organizational competencies. These events include various socio-cultural events along with Competitions and campaigns like Talent Hunt, National Memorial days like Gandhi Jayanti, Independence Day, Science Day, Science Exhibition, Air Show, Intra college competitions between different class students or to identify talent to represent college like essay competition, quiz competition etc and Inter College competitions organized locally or at University level. The Annual festival titled Kala Sangam is held every year in February / March by the students which is financially supported by the department of higher education, Haryana and it has helped students over the years to excel in various socio-cultural events like group dance, one act play, mimicry, group song etc. The students are represented as members of an Editorial Team comprising of five subject student editors and faculty subject editors in publication of the Annual Magazine – Ravi Tez. It provides an opportunity to the students to express their aptitude for writing and imagination through articles, poems, pictures etc. It also highlights the major accolades and prizes won by the students in various intra- and inter- college competitions.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**6.1 – Institutional Vision and Leadership****6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)**

Pt. Chiranji Lal Sharma Govt. College encourages a culture of participative management by involving staff members in a number of administrative roles. The college promotes a culture of participative management as all college operations are managed by committees constituted for academic and non-academic activities. Major committees comprise of teachers, and many include nonteaching staff and students as well. The college has created a decentralised structure for decision making where departmental committees interface their decisions with college committees of the staff council. Various committees are constituted by the College Council for managing various functions of the college. The College Council is responsible for college timetable, allocation of co-curricular work, purchases, organizing admission, looking after the welfare of students, preparing working guidelines for effective functioning of the college. College Council led by the Principal chalks out the execution plans. Before the commencement of each academic session Staff Committees are formed under the guidance of the Principal, Staff Committees have freedom to formulate their plan and decide execution strategies within the government of Haryana and Directorate Higher Education, Haryana norms and guidelines. Activities and decisions of Staff Committees are discussed in College Council meetings as required. The decision of College Council remains final and all the committees have to get their decisions ratified from the council. A report of yearly activities is presented to the Staff council at the end of the session. Department representatives on Staff Council Committees interface at both levels conveying ideas back and forth and hence enabling decentralised, yet participatory management of the college. There are 106 Staff Committees and all faculty members are part of it. To demonstrate decentralisation and participative management, we have attached a case study on working of a Staff Council Committee. Internal assessment of the students is handled by two Staff Council Committees – Attendance Committee and Internal Assessment Committee. Continuous evaluation, student appraisal and uploading students' attendance every month has helped in improving regularity and performance. We have uploaded: A case study on the functioning of these committees of Staff Council to demonstrate college practicing decentralisation and participative management. Notices of attendance and internal assessment.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

- Cleanliness Drive
- Tree Plantation
- Minimum Use of polythene in Science Exhibition
- Recycle/ Biodegradable products converted into compost/ manure
- Promotion of conservation of water resources by rainwater harvesting

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice 1:

Title: Blood Donation Camp

Dates of Organization: 16.02.2018

Objective:

- The main objective of the activity is community service.
- It is taken as social responsibility by the students of the organization.
- Moreover, students help in motivating community through various extension activities to donate blood for this noble cause.

Context:

- There is always a need of blood of various blood groups in Civil /Private Hospitals and Kalpana Chawla Medical College Karnal.

Practice:

Activity is performed mainly in the month of February/March Every Year. Students and staff members of the college donate blood as a social responsibility

and for community service with their own sweet will. Activity is arranged through N.S.S, N.C.C, Red Cross society and Red Ribbon club of the college. Blood is provided to various blood banks and it is lifesaving donation. Evidence: Various Photos, news clipping from various newspapers, number along with list of donors along with certificates are attached with this report.

Problems: Students are not able to donate blood during vacations and exams.

Notes: Some students and faculty Members of the college are frequent blood donors.

Best Practice 2:

Title: Talent Hunt

Dates of organization: 19.09.2017

Objective:

- The main objective of the activity is to inculcate team spirit,
- provide platform to showcase their talents
- and help in improvement of overall personality of the students.

Context:

- Importance of social and cultural activity is to prepare students for real life challenges and help them to identify their strengths and talents. It also supports students in improving their organizational, interpersonal and leadership skills.

Practice:

It is a regular event organized by the college at the start of session in the months of August/September. Students participate in various activities namely dance, song, drama, orchestra, poetic recitation etc. every year. Students engage themselves with professional artists and designers to showcase their talents with varying levels of skills and engagement. It helps the cultural activity team to find out the hidden talent and groom the students for participation in local, district, state and national level competitions and functions organized at different colleges and universities.

Problems: There is lack of Indoor Multipurpose hall for practice and event organization. Building for the Multipurpose Hall is under construction and will be completed very soon.

Notes: Some students represent the college at University and other events based on their performance at College and intercollege competitions.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Title: NCC AIR WING AND NCC ARMY WING ACTIVITIES

Objective:

The NCC establishment are meant for:

- To develop qualities of character, courage, comradeship, discipline, secular outlook, spirit of adventure, sportsmanship and the ideals of selfless service among the youth to make them useful citizens.
- To create a human resource of organised, trained and motivated youth, to provide leadership in all walks of life including the Armed Forces and always make them available for the service of the nation.
- To create a suitable environment to motivate the youth to take up a career in the Armed Forces.

Context:

NCC was conceived in 1917 when India Defence Act was promulgated with an object of making up the deficiencies in the Armed Forces by raising the University Corps. In 1920, with the passage of India Territorial Act, University Corps was replaced by University Training Corps. In 1942, this Corps was rechristened University Officers Training Corps. In 1946, a committee under Pandit H N Kunzru was set up at the behest of Pandit Jawaharlal Nehru to formulate the establishment of an organisation capable of training and motivating the youth of the country to become better citizens and leaders in all walks of life. Consequently, the National Cadet Corps came into being on July 16, 1948 with the promulgation of the NCC Act XXXI of 1948. NCC was placed under the Ministry of Defence. The motto of NCC is unity and discipline.

Practice:

National Cadet Corps is a national level organization involved in training of students at school and college level in human values and ethics along with preparing a young pool of youth that can focus on armed forces as a career and serve the nation. There are two NCC units in the college viz. NCC Air Wing and NCC Army Wing that have student cadets who participate in various activities at local and national level. Some of these include Adventure Camp, Aero Modelling show, Air Force Day Celebration, Akhil Bhartiya Vayu Sainik Shivir, All India Vayusainik Camp, Army Attachment Camp, Basic Leadership camp, Basic Mountaineering courage camp, Combined Annual Training Camp, Drill march past parade on Independence Day, International Yoga Day Celebrations, March Past Parade Republic day, RD Camp and National Integration camp along with

acting as student volunteers in events like Plus Polio Campaign, and Beti Bachao Beti Padhao on International Women Day.

Problems: There is lack of fully functional firing range for practice of cadets.

Notes: Some students represent the college at national levels in various camps and parades
