Memo No.: DNRE/HAREDA/LED/2018 1953

Dated: 13/07/18

SUBJECT: MANDATORY USE OF LED LIGHTS IN GOVT. OFFICES

Kindly refer to this office Memo No. DNRE/HAREDA/1079 dated 11.06.2018 and 14.06.2018, on the subject noted above.

In compliance of the decision of the State Government that all the Government offices shall mandatorily replace conventional lights with energy efficient LED lights by 15.08.2018, a survey team of this Department conducted survey of your office building. As per survey report, about 1886 nos. of indoor and outdoor conventional lights need to be replaced with LED lights by 15.08.2018.

Accordingly, you are requested to ensure the replacement of all the existing conventional lights with energy efficient LED lights at the earliest or latest by 15.08.2018 in compliance of decision taken by State Government in this regard and send an ATR to this office, so that the Government may be apprised accordingly.

Memo No.: DNRE/HAREDA/2018 1080

Dated: 11-6-18

SUBJECT: MANDATORY USE OF LED LIGHTS IN GOVT. OFFICES

You are aware that the Haryana Government has made the use of LED lamps/tube lights mandatory in all Central/ State govt. offices and Public Sector Undertaking institutions or establishments located in the State of Haryana vide Order No. 22/52/2006-6P dated 29.06.2016 (available on www.hareda.gov.in). Vide this Order, the use of incandescent lamps and purchase of sodium vapour lamps by Govt. sector/ Govt. aided sector/Boards and Corporations or Autonomous bodies of Haryana was also banned. However, It has been observed that many Govt. Departments have not yet fully complied with these orders. The matter was reviewed in a meeting held on 04.06.2018 under the Chairmanship of Hon'ble Chief Minister, Haryana and this non-compliance by various departments/boards & corporations/agencies has been viewed seriously. In connection with celebration of World Environment Day, 2018, the State Government has identified five activities to be taken up on priority in a time bound manner. C.M. has directed to replace all halogen, sodium bulbs and tubelights in the State with energy-efficient LED bulbs and tubelights. To begin with, it has been decided to effect this replacement in Government Buildings by August 15, 2018.

In view of this, you are requested to enforce the orders of the Hon'ble CM in the departments/ agencies under your control and a report on the present level of compliance may be sent to this office within one month. It is also requested that all inefficient lighting be replaced with LED lamps / tubelight by 15th August, 2018 positively. Compliance may again be verified and a report in this regard be sent to this office by 15th September, 2018, so that the Government may be apprised of the status.
