

**Guidance and Counselling Cell**  
**Pt. Chiranji Lal Sharma Govt. College Karnal**

Date: 13 Dec 2021

The guidance and counseling cell and the psychology department of the college organised extension lectures on "how to overcome obstacles" and "effective communication skills for everyday life". Dr Nandini Mudgil, Assistant Professor from GCW, shahzadpur (Ambala) addressed the students in these interactive sessions. She stressed the importance of positive relations and effective communication in life. She told the students to take challenges as opportunities in life and work persistently towards their goals.

Date: 18 Nov, 2021

A one day workshop on "career guidance and development" was organised by the commerce department and guidance and counseling cell of the college in which professor Purna Dabar Saluja from Geeta Engineering College, Panipat addressed the final year students. She stressed the importance of planning, hard work and confidence in achieving goals. On this occasion the members of guidance and counselling cell and the commerce department were present.
