YEP : BANGLADESH

I started my journey on 5th Dec 2017. On 6th December I met my old friends from other directorates and states. All of us were interviewed there by our camp commandant. And then we all started preparing to represent India in Bangladesh. On 13th Dec we took flight for Bangladesh and landed there about 4:30 pm. All of us were received by the Bangladesh cadets and their NCC staff. Then we moved to NCC headquarters Dhaka there. Next day we started with briefing on Visit Programme and visited National parliament, Jamuna future park (Shopping Mall), National Museum followed by Interaction with war veterans organised by High Commission of India. Thereafter we attended Victory day parade, called on Chief of Army staff, Chief of Naval staff and Chief of Air staff. We also visited Air Force Base Cultural programme at parade square, BANGABANDHU Novo Theatre, Lunch at Capricorn Restaurant and Cultural practices at AFMI auditorium. We also watched BANGLADESH BORDER GUARD PARADE (BGB HQ), visit to High Commission of India, Final cultural programme at AFMI auditorium which was followed by the Dinner at AHQ mess.

We visited west point sea beach (Pothenga) and Beach Window, Presented our Cultural programme at KARNAPHULI REGIMENT. Visited Naval Base, move back to chittagong and saw sunset point. On the 25th Dec morning we left for India. We were debriefed in DGNCC and felicitated with certificate. Our journey stopped with moving to our homes but my heart was filled with the overwhelming feelings and memories. The whole journey was not only a trip but life changing moment for me. I can never express what I imbibed during this entire journey. This journey gave me friends from different boundaries, culture, appearance, ethnic, language and society too. But this is very less to tell about the journey. Some other things were also there which I have got as a change in my behaviour. The never ending impression of YEP on me was;

Warmth and hospitality extended by Bangladesh NCC.

- Acknowledgement by the honorable prime minister Smt. Sheikh Haseena regarding vital role played by india in their freedom struggle.
- Excellent exposure to customs, traditions folklore and way of living of the people of Bangladesh.
- Disciplined and orderly life, adherence to norms, punctuality and a sense of nationhood.
