What is SACC?

Start-up Incubator cum Centre of Excellence is a platform for students to work on their Entrepreneurial skills. The goal behind Startup Incubator is to develop Self- Confidence, Entrepreneurial Skills and to build capacity among participants and encourage students to become job creators rather being job seekers.

SACC MISSION:

- To promote like-minded entrepreneurial ventures.
- To build a knowledge base for Start-Up's.
- Identify and support New Business Enterprises.
- Develop Business Ideation at School/College Level.
- Encourage Innovative Start-up's, develop and encourage Women entrepreneurs

Yes, we help students to become entrepreneurs and create employment.
